

# Curriculum Vitae

April 27, 2015

---

|                     |  |
|---------------------|--|
| Name                | Andreas Lagg                                       |
| Date/place of birth | Feb. 20 <sup>th</sup> , 1968, Breitenwang, Austria |
| Nationality         | Austrian   |

---

## Academic Preparation:

|                |   |
|----------------|---|
| PhD in Physics | Max Planck Institut für Aeronomie, Katlenburg-Lindau, Germany, February 1998<br>Dissertation: <i>Energetic Particles in the Jovian Magnetosphere: Simulation and Results from the Energetic Particles Detector on Board the Galileo Spacecraft</i><br>Advisor: Univ. Prof. Dr. Werner Lindinger, University of Innsbruck, Austria |
|----------------|---|

---

## Professional Experience:

|                |   |
|----------------|---|
| Jul - Okt 2008 | visiting professor at the <i>National Astronomical Observatory of Japan (NAOJ)</i> , Tokyo, Japan   |
| 1999 - present | Scientific staff member at the Max Planck Institut für Aeronomie, Germany <ul style="list-style-type: none"><li>• Infrared polarimetry of the solar photosphere and chromosphere</li><li>• Development of inversion codes for solar spectro-polarimetry data</li><li>• Analysis of Cassini MIMI/LEMMS and Galileo EPD data</li><li>• Development of a high resolution time-of-flight system for the Rosetta orbiter</li></ul> |
| 1998 - 1999    | Post-doctoral appointment at the Space Department of the Johns Hopkins University / Applied Physics Laboratory (Laurel, Maryland, USA) <ul style="list-style-type: none"><li>• Scientific analysis of Galileo EPD data</li></ul>  |

---

## Award:

|      |  |
|------|--|
| 1999 | Honorary member of the Space Physics Department of the Johns Hopkins University / Applied Physics Laboratory |
|------|--|

---

|                      |   |
|----------------------|---|
| <b>Publications:</b> | h-index: 29 <ul style="list-style-type: none"><li>• 88 refereed publications (including co-author)</li><li>• 96 non-refereed publications</li></ul> |
|----------------------|---|
